Pennsylvania Terms & Conditions

You authorize Everyday Energy, LLC d/b/a Energy Rewards ("Company"), a member of the Crius Energy family of brands, to change your electricity and/or natural gas supplier, as the case may be, to Company and to supply your home with all the Services you need, subject to the eligibility requirements of your local electric or natural gas utility ("Utility"). Company is a supplier of energy products. We often use independent brokers to sell our energy products. Please review this contract carefully. If there are any discrepancies with the product features you were sold and the terms and conditions of such products, please call our customer care center at 1-844-231-7169. Your Enrollment Documentation, which includes your welcome letter, welcome package, as applicable, and these Terms and Conditions create your agreement with the Company ("Agreement") and supersedes any oral or written statements made in connection with this Agreement or the supply of your Services. Capitalized terms used herein have the meaning ascribed to them as listed within the Agreement as well as in the “Definitions” section herein.

1. SERVICES. Upon successful completion and receipt of all customer enrollment requirements, Company will supply Services for your home. Company is a retail marketer of Services and is not your Utility. Your Utility will continue to deliver Services to your home, read your meter, send your bill and make repairs and charge you for its services related to delivering your commodities. Your Utility will also respond to emergencies and provide other traditional utility services. Switching to Company will not impact your Service reliability. You understand that you are not required to switch your Services to Company. If you are enrolled in any Utility or government programs, enrolling with Company may impact your participation in these programs. Please check with your Utility or program administrator before enrolling with Company.

2. TERM. Company will begin supplying your Services when the Utility switches your account to Company. Your Agreement will continue for the Term specified in the Enrollment Documentation or herein, and if applicable for the Renewal Term. Your Term is based on monthly billing cycles as determined by your Utility and each monthly billing cycle may not represent a full calendar month. If your Utility bills bimonthly, Company will treat this as two monthly billing cycles. Typically it takes one to two billing cycles for your Service to be switched from your Utility to the Company, but there may be a delay before the Utility switches Services and you understand that Company is not responsible for any such delays. You may receive written notification from your Utility confirming your switch to Company. The Company may terminate this Agreement by providing you notice as required by law.

3. PRICE. Company does not charge any fee for you to switch from your utility to Company. Please note that some products have specific fees related to the product or plan you choose which are detailed in your product Enrollment Documentation; these fees are not switching fees. Company does not charge any fee for you to switch. Each month you will pay for the Services you consume. For electricity, your bill will be calculated by multiplying your Rate by the amount of electricity you consumed in kilowatt-hours during the billing cycle, plus any applicable Fees. For natural gas, your bill will be calculated by multiplying your Rate by the amount of natural gas you consumed in mcfs, ccf or therms, as applicable, during the billing cycle, plus any applicable Fees. Depending on your Utility’s billing practices, your Rate during the billing cycle may be applied pro rata, resulting in a blended rate of the previous month and the current month Rate. If your price is based on an estimated usage for such Services, the Company has the right to bill you on actual usage when such information is made available and you have the obligation to pay Company for such actual usage amounts.

4. RATE PLAN OPTIONS.
   a. Fixed Rate. If you selected a fixed rate, the Rate for your Service is the Rate indicated in your Enrollment Documentation for the Term ("Fixed Rate").
   b. Variable Rate. If you selected a variable rate, the Rate for your Service for your first billing period is the Rate indicated in your Enrollment Documentation ("Variable Rate"). Variable Rates change at the Company’s discretion and may be higher and lower each month based on business and market conditions. Variable Rates are set in the Company’s discretion and may vary based on numerous factors, including, but not limited to, the Company’s assessment of applicable market conditions, operation costs, historic and projected supply and hedging costs, prior meter read cycle’s pricing and balancing costs, projected average customer bill amounts and Utility pricing or “price to compare” and applicable pricing reset dates and may include the following additional costs: ancillary services and other ISO costs, capacity costs, transmission costs, line loss costs, RMR costs, credit costs, balancing costs, winter reliability costs, and costs associated with meeting any applicable Renewable Portfolio Standards, and a profit margin determined in the Company’s discretion that may vary from month to month. Your variable Rate will not include taxes, which will be assessed separately, and will not include any fees, taxes or charges directly assessed by the Utility. You may obtain Company’s previous 24 months’ average monthly billed prices by visiting https://enroll.credoenergy.com/paPastVariableRates or contacting Company as detailed in Section 14. Historical pricing is not indicative of present or future pricing. There is no limit on how much your Variable Rate may change from one billing cycle to the next.
   c. Index Rate. If you selected an index product, the Rate for your Service will be the index and the adder indicated in your Enrollment Documentation and will vary in accordance with the terms of the specific index ("Index Rate"). You may obtain Company’s previous 24 months’ average monthly billed prices by visiting https://enroll.credoenergy.com/paPastVariableRates or contacting Company as detailed in Section 14. Historical pricing is not indicative of present or future pricing. There is no limit on how much your Index Rate may change from one billing cycle to the next. You understand that Company will not be sending notices of such month to month rate changes.
   d. Understanding and Selecting Rates. You understand that unless you have been offered a Rate, confirmed by the Company in writing, that expressly provides otherwise, there are no guaranteed savings and your Rate may be higher or lower than the Utility’s rate in any given month. You can always review existing Service offers to compare your Rate under this Agreement to other current offers by visiting PaPowerSwitch.com and/or PaGasSwitch.com, calling the Pennsylvania Public Utility Commission at 1-800-692-7380, and visiting the Pennsylvania Office of Consumer Advocate at www.oca.state.pa.us.

5. RESCISSION; TERMINATION. You may rescind or terminate this Agreement as provided below.
   a. Right of Rescission. You may rescind this Agreement by contacting Company before Company submits your enrollment request to your Utility. You may also rescind this Agreement and the pending enrollment, within
three (3) business days after your receive this Agreement by contacting Company (“Recession Period”).

b. Terminating Fixed Rate Plans. You may terminate a Fixed Rate plan at any time; provided that, if you terminate after the Recession Period, a termination fee will apply for the Service you terminate unless such termination is due to you moving from one location to another, or occurs during a Renewal Term that you did not affirmatively select. The applicable Termination Fee listed in your Enrollment Documentation will apply for each Service you terminate.

c. Terminating Variable Rate Plans. You may terminate any Index Rate Plan Services at any time and no termination fee will apply unless otherwise detailed in your Enrollment Documentation.

d. Terminating Index Rate Plans. You may terminate any Index Rate plan Services at any time and no Termination Fee will apply unless otherwise detailed in your Enrollment Documentation.

e. Termination Notice; Effect of Termination. To terminate or rescind this Agreement, you must notify Company as detailed in Section 14 or your Utility. Please provide your name, address, phone number, account number and a statement that you are rescinding or terminating the Agreement. Rescission is effective immediately. Termination will be processed immediately but is effective upon your Utility processing your termination and you are obligated to pay for the Services provided pursuant to this Agreement until you are returned to your Utility or alternative supplier.

6. BILLING AND PAYMENT. The Services you purchase from Company will be included in your Utility monthly bill or in a separate invoice from Company. If from the Utility, the Utility will set your payment due date and the payment address. Any bill not paid in full by its due date will incur a late payment fee in accordance with the Utility’s or the Company’s billing and payment policies and procedures. You may be liable for the costs the Company incurs if Company must terminate your Services for failure to pay, such as collection costs or attorney fees. Company shall have the right to setoff and net against any undisputed amounts owed by you under this Agreement, and the Company shall additionally have the right to setoff and net against any deposit or security provided by you pursuant to this Agreement any amounts, charges or damages owed by you to Company. If you have provided Company, its affiliates or agents with a credit card number, you provide authorization to charge any outstanding balance to such credit card. You will be billed and pay Company for the Services based on meter readings and consumption information that Company receives from your Utility (“Billing Quantity”). You are responsible for paying and reimbursing Company for all applicable Fees. If you are tax exempt, you must furnish Company an exemption certificate before your Services commence.

7. CUSTOMER INFORMATION. All authorizations provided herein will remain in effect for the Term and, if applicable, the Renewal Term of this Agreement; however, authorization may be rescinded by you any time by contacting Company.

a. Credit Requirement. This Section 7(a) is only applicable to accounts not covered by your Utility’s purchase of receivables program. You authorize Company to obtain and review your credit history. If you fail to meet Company credit criteria, you understand that Company may refuse or terminate Service, or provide a substitute product. You may be required to promptly provide Credit Enhancements to continue Service if there is a deterioration in your credit rating or a Usage Increase.

b. Customer Information. You authorize Company to obtain your Customer Information from your Utility. This Agreement provides authorization for the Company to contact you about our other products and services or share information about your account with any designated partner or with any third-party vendor the Company uses to provide services and rewards to you. The Company reserves the right to share your Customer Information with Company Agents, to the extent permitted by law.

8. RENEWAL NOTICE. If you have a Fixed Rate plan approaching the expiration date, or whenever Company proposes to change the terms of service in any type of contract, you will receive two separate written notifications that precede either the expiration date or the effective date of the proposed changes. These notifications will explain your options going forward, including notification that you will be automatically enrolled: (i) on the Fixed Rate plan provided in the notice, or (ii) the Company’s Variable Rate plan available at such time (which allows you to cancel at any time without any Termination Fees). For any Variable Rate plan or Index Rate plan generally you will not receive a renewal notice as you may cancel at any time without any Termination Fees, however, if you select certain products, you may receive a renewal notice. See your product plan terms and conditions for details. Each new renewal period after your initial Term will be deemed a “Renewal Term”. For any Renewal Term that you did not affirmatively select, you may cancel, or the Company is billing you directly for Service, then the Company will provide the notices as a bill message, a bill insert, or in a separate corresponding mailing. If the Utility is billing Company’s charges, then the Company will provide the notices in separate corresponding mailings.

9. PHONE COMMUNICATION POLICY. You agree that by accepting this Agreement and providing your phone number (which may include your wireless number) the Company or its agents or affiliates may text or call you with autodialed or pre-recorded promotional or product information. Your consent and acceptance of this policy is not a condition of purchase.

10. DISPUTE RESOLUTION AND MANDATORY AGREEMENT TO ARBITRATE ON AN INDIVIDUAL BASIS. If you have billing questions or would like to make an inquiry about the Company’s terms of service, you may contact the Company as indicated in Section 14. In the event of a dispute or a disagreement under this Agreement, the parties will use their best efforts to resolve the dispute. If you are not fully satisfied after discussing your dispute with the Company, you may contact the Pennsylvania Public Utility Commission at 1-800-692-7380 or in writing to PO Box 3265, Harrisburg, PA 17105-3265, the Pennsylvania Office of Consumer Advocate at www.oca.state.pa.us. Information is also available at www.PaGasSwitch.com

Regardless of whether you choose to pursue your dispute with the Pennsylvania Public Utility Commission, your right to pursue individual arbitration with the Company will not be impacted under this Agreement as set forth below.

You and the Company both agree to resolve Disputes (as defined below) only by arbitration or in small claims court (for qualifying claims), subject to specific exceptions listed herein. The parties expressly agree that they are waiving their right to sue in court and that arbitration is the parties’ sole remedy to resolve disputes. There is no judge or jury in arbitration, the procedures may be different, and it is subject to very limited review by a court. An arbitrator, however, can award you the same damages and relief, and must honor the same terms in this Agreement, as a court would. If the law allows for an award of attorneys' fees, an arbitrator can award them too. In addition, you and the Company also both agree that:

(a) “Disputes” are any claims or controversies against each other related in any way to, or arising from the Company’s Services, this Agreement, or any related agreements, including but not limited to, billing, services and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if it arises after your Services with the Company have terminated. Disputes include any claims that: (i) you bring against the Company or any of its employees, agents, affiliates, or other representatives; (ii) you bring against a third party that are based on, relate to, or arise from the Company’s Services, this Agreement or any related agreements; or (iii) that the Company brings against you. It also includes, but is not limited to, claims related in any way to, or arising from any aspect of the relationship between you and the Company, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.

(b) Except as otherwise provided under Section 10(f) below, the Federal
Arbitration Act, 9 U.S.C. § 1 et seq. (the “AAA”) applies exclusively to this agreement to arbitrate, and this agreement to arbitrate is intended to be broadly interpreted. The arbitrator’s decision and award is final and binding, with some exceptions under the FAA, and judgment on the award may be entered in any court with jurisdiction.

(c) Prior to initiating arbitration, a party must first send to the other, by certified mail, a written notice of dispute (“Dispute Notice”). The Dispute Notice to the Company should be addressed to the Notice Address listed in Section 14. The Dispute Notice must (i) describe the nature and basis of the claim or Dispute; and (ii) set forth the specific relief sought (“Demand”). If the Company and you do not reach an agreement to resolve the claim within thirty (30) days after the Dispute Notice is received, you or the Company may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by the Company or you shall not be disclosed to the arbitrator.

(d) Unless the parties agree otherwise, the arbitration will be conducted by a single neutral arbitrator and will take place in the county (or parish) of the service address.

(e) The arbitration will be conducted by: (i) a neutral third party arbitrator mutually agreed upon by you and the Company; or (ii) the American Arbitration Association (the “AAA”). The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, “AAA Rules”) of the AAA, as modified by this Agreement. Where the terms of this agreement to arbitrate conflict with the AAA Rules, the terms of this agreement to arbitrate shall override and govern. The AAA Rules are available online at adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address for the Company, which is listed in Section 14. The arbitrator is bound by the terms of this agreement to arbitrate. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. If your claim is for $10,000 or less, the Company agrees that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds $10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Upon your request, and you supplying appropriate documentation, the Company will reimburse your administrative costs for the arbitration over and above the costs associated with filing a case in court.

If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. However, nothing in this paragraph will require or allow you or the Company to arbitrate on a class-wide, representative or consolidated basis. An arbitration award and any judgment confirming it apply exclusively to the specific case. The arbitration award and judgment cannot be used for any other case except to enforce the award itself.

You and the Company each agree that arbitration will only be pursued on an individual basis, and will not be pursued on a class-wide, representative or consolidated basis. This Agreement does not allow class, representative or collective arbitrations even if the AAA procedures or rules would. If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then this agreement to arbitrate does not apply and the dispute must be brought in court.

(f) You and the Company agree that notwithstanding this agreement to arbitrate, either party may bring qualifying claims in a small claims court. In addition, this arbitration provision does not prevent you from bringing your dispute to the attention of federal, state, or local government agencies (including the Pennsylvania Public Utility Commission), and if the law allows, they can seek relief against the Company on your behalf.

(g) If for any reason a claim proceeds in court rather than through arbitration, you and the Company agree that there will not be a jury trial. You and the Company unconditionally waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating in any way to this Agreement or the Services provided by the Company. In the event of litigation, this paragraph may be filed to show a written consent to a trial by the court.

In addition, the Company has the right to refuse or terminate Services, and recover costs, if any, if your Service requirements are above the Usage Thresholds.

b. Agency and Point of Sale. Company, as your agent, will arrange for the transportation of natural gas from the Sales Points to the Delivery Points, and from the Delivery Points to your premises; and (ii) if you are receiving electric service, you hereby designate Company as your agent for the purpose of arranging, contracting for, and administering transmission services (including those provided by your Utility) for the delivery of electricity.

d. Assignment. You may not assign this Agreement without prior written consent of the Company. Company reserves the right to sell, transfer, pledge or assign this Agreement and your account, and related revenues and proceeds for financial purposes or in connection with a sale. e. Change in Law/Third Party Charges. This Agreement is subject to any federal, state, local, or utility changes in law, which includes changes in legislation, regulatory actions, orders, rules, tariffs, regulations, policies, riders, fees, pricing structures, market structures, capacity charges, and changes in customer load profiles (each, a “Change in Law”). If there is a Change in Law which results in an increased cost to the Company, or if the Company is prevented, prohibited or frustrated from carrying out its intent under this Agreement, Company may terminate this Agreement with notice to you, or adjust your rate based upon such Change in Law. This provision applies to all rate plans, whether fixed, index or variable.

g. Non-Waiver. h. Severability. If any provision of this Agreement is held unenforceable, then such provision will be automatically modified to reflect the parties’ intention. All remaining provisions of this Agreement shall remain in full force and effect.

i. Non-Reliance. j. Complete Agreement. This Agreement constitutes the final and complete agreement between you and the Company. It is the complete and exclusive expression of the terms and conditions agreed upon for the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

Electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures. You have a duty to provide a correct, working email address and update it accordingly; if you fail to do so, you could miss important notices.

You understand that to get the most out of your Wi-Fi thermostat you should register your thermostat online and follow the procedures described in the accompanying instructions. You agree that Company may make real-time adjustments to your thermostat. Prior to any adjustment event, you will receive a notification on your thermostat providing you with the option to opt out of that specific adjustment event. You agree that, unless you opt out, Company may make these adjustments during and after the Term of this Agreement. If you would like Company to permanently cease all adjustments, you may opt out of all future adjustment events by contacting Company via email, mail, or phone as provided above. You may also manually override any adjustments to your thermostat at any time, and at no time are you obligated to keep your thermostat at the adjusted level.

If you experience problems with your thermostat while you receiving Service under this Agreement, please contact Company as provided for in Section 14.
Company may assist you with troubleshooting your thermostat, but will not be responsible for any work involving your thermostat that Company did not direct.
